

GRACO®

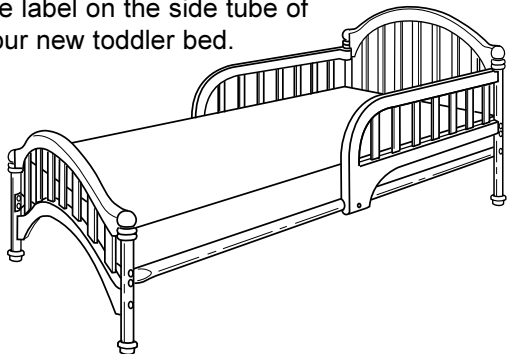

Toddler Bed

OWNER'S MANUAL

Model No. _____

Serial No. _____

Dear Customer,
Please fill in the model and serial numbers above from the label on the side tube of your new toddler bed.

Model No. 8833

Congratulations on your purchase of a Graco® toddler bed!

Graco is a leader in juvenile products designed for your child's comfort and convenience. We believe your Graco® toddler bed is a wise choice, promising many hours of enjoyment for your child.

Before using your toddler bed, please take a few minutes to read this Owner's Manual. The short time you spend reading these instructions will help you use your toddler bed properly.

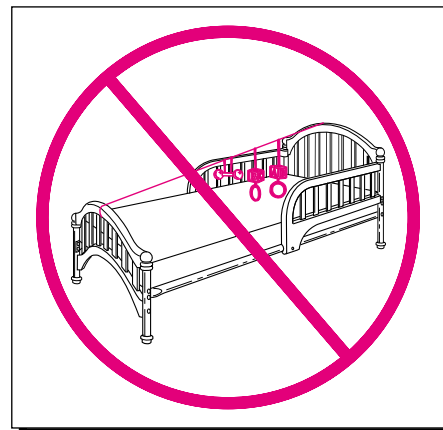

Please save your Owner's Manual for future use.

Customer Satisfaction

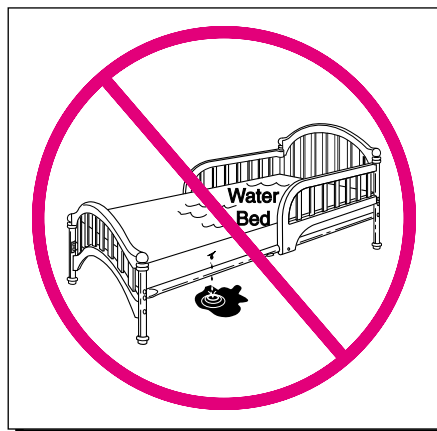

Our goal is to make every product the best it can be! We are also committed to supporting our products after purchase. If you would like to speak to Graco about your product, please contact our **Customer Service Department at 1-800-345-4109** or visit our Internet website, www.gracobaby.com. Our knowledgeable staff will be ready to answer any questions you may have concerning parts, use or maintenance. When you call, please have the **model and serial numbers** ready so your call may be processed quickly and efficiently.

⚠ WARNING

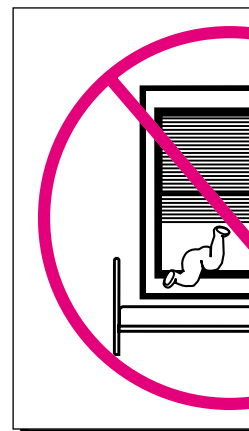

Failure to follow these warnings and result in serious injury or death from

Strings can cause strangulation! **DO NOT** place items with a string around a child's neck, such as hood strings or pacifier cords. **DO NOT** suspend strings over toddler bed or attach strings to toys.

DO NOT use a water mattress or all foam mattress with this toddler bed.

DO NOT place bed where cords from blinds may strangle a child or fall out of the window.

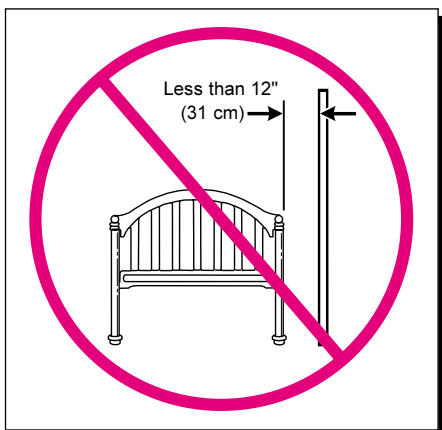

ALWAYS use a full-size crib mattress, being at least 51⁵/₈ in. (131 cm) in length, 27¹/₄ in. (69 cm) in width, and 4 in. (10 cm) in thickness.

DISCONTINUE USE OF THE TODDLER BED when your child weighs more than 50 pounds (23 kg). Use the bed with only one child at a time.

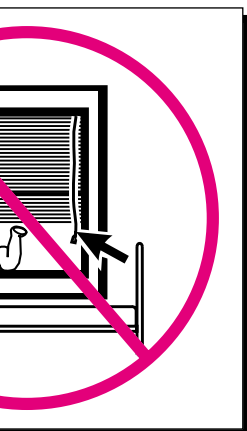

USE ONLY bed rails provided by Graco®.

WARNING

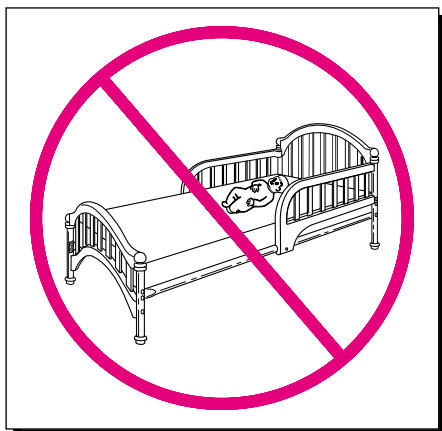

and the assembly instructions could result from entrapment or strangulation.

DO NOT use with less than 12 inches (31 cm) of space between the toddler bed and solid objects such as a wall or dresser. Child could slide into smaller spaces and suffocate.

DO NOT use near windows or blinds or drapes. Child may become entrapped in window.

DO NOT use for infants. This bed is not a substitute for a crib. The toddler bed is intended for a child between 15 months and 5 years of age. Maximum weight 50 pounds (23 kg).

CARE AND MAINTENANCE

BEFORE ASSEMBLY AND EACH USE, inspect bed for damaged hardware, loose joints, missing parts or sharp edges. DO NOT use bed if any parts are missing or damaged. DO NOT substitute parts. Use only Graco® replacement parts.

TO CLEAN BED FRAME AND BED RAILS, use only household soap or detergent and warm water. NO BLEACH.

PARTS LIST

CHECK that you have all the parts listed below BEFORE assembling your toddler bed.

If any parts are missing, call Customer Service at 1-800-345-4109 or visit our Internet website, www.gracobaby.com.

THIS PRODUCT REQUIRES ADULT ASSEMBLY.

Tools required: Hex wrench (included)

Side tube (2)

Crossbar (6)

Long leg (2)

Short leg (2)

Bolt (10)

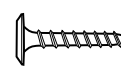

T-nut (10)

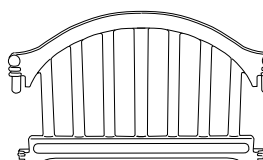

Foot (4)

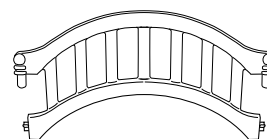

Hex wrench

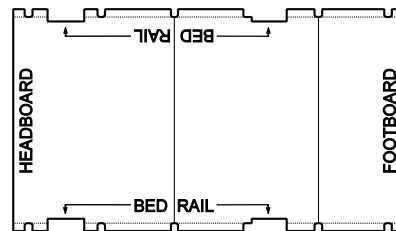

Screw (4)

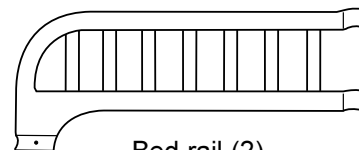

Headboard

Footboard

Mattress support

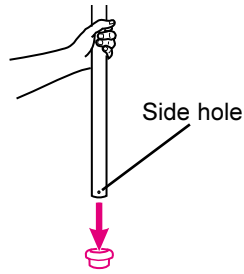

Bed rail (2)

Assembling the Headboard and Footboard

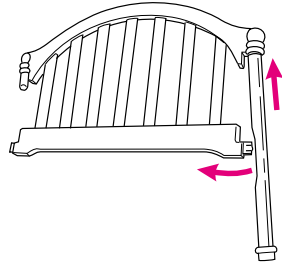

Step 1.

Legs have a small side hole near one end. For each leg, push end with side hole **firmly** down into a plastic foot. Side hole must be covered by foot. It may be necessary to tap foot on a hard surface to get it all the way on.

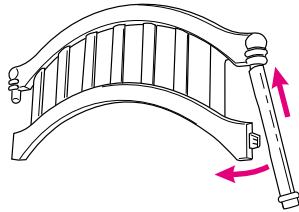

Step 2.

Assemble headboard and long legs. Push open end of one long leg onto plastic plug under "knob" on one side of headboard.

Then push leg sideways so the rectangular plug on lower side of headboard goes into hole on side of the leg.

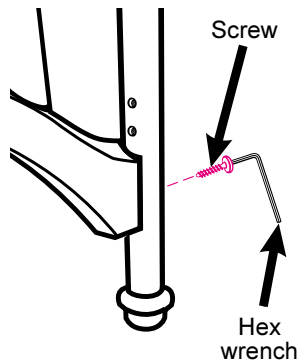

Attach other long leg in the same way to other side of the headboard.

Assemble the footboard and short legs the same way.

Step 3.

For **footboard** (shown at right), insert a screw into the **lowest** hole on each short leg and into plastic footboard. For **headboard**, insert screws into the **highest** hole on each long leg.

Tighten screw securely with the included hex wrench, **but do not over-tighten**.

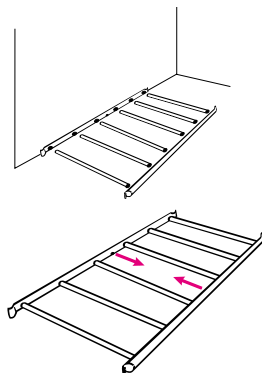

Repeat for other three legs.

CHECK that all four legs are securely attached to the head- and footboards by pulling on the legs.

Assembling the Frame

Step 1.

Line up the side tubes and crossbars on the floor as shown at right. It may be helpful to brace one side tube against a wall or stationary object. Holes in side tubes must face each other.

Step 2.

Insert ends of the crossbars into holes in the side tubes.

Attaching the Headboard and Footboard

Step 1.

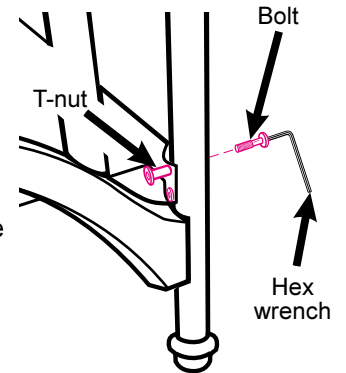

Begin by attaching the frame to the footboard.

Stand the footboard at one end of the metal frame. (It does not matter which side of footboard faces the frame.) Holding the footboard upright, grasp the two side tubes as shown and lift carefully. Rest the ends of the side tubes on the footboard.

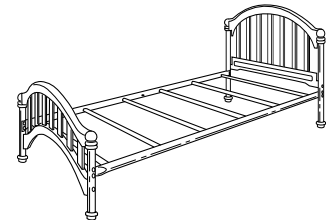

Step 2.

Insert two T-nuts through the two holes in the side tubes and into the leg holes as shown. Place the bolts into the holes on the outside of the footboard tubes and into the T-nuts.

Step 3.

With the Graco® name on the headboard facing away from the bed frame, attach the side tubes to the legs as in Step 2 above.

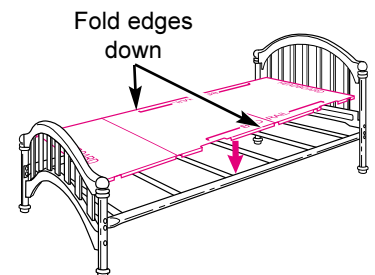

After the headboard and footboard have been attached to the frame, **FIRMLY TIGHTEN** all eight bolts into their T-nuts with the hex wrench.

The toddler bed will look like illustration.

Step 4.

Position mattress support with printed side up as shown. Fold edges down at creases, and place on bed so notches in edges fit over the crossbars.

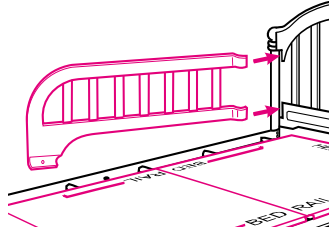

Attaching the Bed Rails

There are left and right bed rails. When installed correctly, the Graco® name on each rail will be on the outside of the bed.

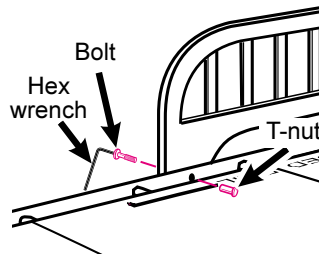

Step 1.

With the Graco® name facing away from the bed frame, hold one bed rail at an angle to the bed frame as shown. Insert the curved ends of the bed rail into the slots at side of headboard. (The curved ends will match the shape of the metal leg.)

Step 2.

Move bed rail toward bed frame until hole at bottom of bed rail lines up with the hole in the center of the side rail. Put a T-nut into the hole on the inside of the bed, and use the hex wrench to screw in a bolt from the outside.

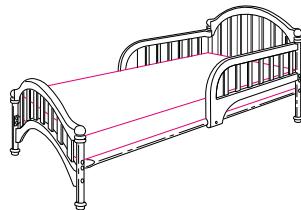

Step 3.

Repeat on other side. **Both bed rails must be used.**

REMINDER: Keep the hex wrench in a location where you will be able to find it if you wish to disassemble the bed.

Finishing Assembly

Place a standard full-size crib mattress—at least 27¹/₄ inches (69 cm) wide by 51⁵/₈ inches (131 cm) long by 4 inches (10 cm) thick—on the finished toddler bed frame. Your toddler bed is now ready to use.

REMINDER: Before each use, inspect the toddler bed for damaged hardware, loose joints, missing parts, or sharp edges.

Replacement Parts

Instructions for ordering toddler bed parts:

Complete form below. Your toddler bed model number **MUST** be included on the form to ensure proper replacement parts. Your model number can be found on the label on the side tube of your toddler bed.

Payment must accompany your order.
