

base_xx Universal 17" front loader

A simple front opening notebook bag which offers real value for money

The base_xx universal offers a straightforward answer to notebook transportation.

A smart black exterior holds a cushioned notebook compartment to protect the notebook from bumps and knocks, a notebook strap to keep the notebook in place during transit and plenty of storage space: a space specifically for documents, workstation designed to hold CDs, pens, business cards and so on, and a front pocket for all those other mobile accessories.

A shoulder strap offers you the option to carry the base_xx over the shoulder or in the hand.
