

base_xx Business front loader

A simple front opening notebook bag which offers real value for money

The base_xx Business offers a straightforward answer to notebook transportation.

A smart black exterior holds a padded notebook compartment to protect the notebook from bumps and knocks, a notebook strap to keep the notebook in place during transit and plenty of storage space: a pocket specifically for documents, and a workstation designed to hold CDs, pens, business cards and so on.

A shoulder strap offers you the option to carry the base_xx over the shoulder or in the hand.
