

MultiCompact front loader

Compact notebook case with excellent storage

An efficiently segmented case for the safe transport of your mobile computing equipment. The cushioning surrounding the notebook ensures maximum safety from knocks and bumps. The notebook compartment is lockable and includes a notebook fastening strap to prevent slipping in transit.

Mobile phone, pens, business cards, and documents are always to hand in their designated holders in the front pocket. The workstation in the interior as well as the document compartment on the rear side offer storage room for additional mobile accessories.

A soft and ergonomically designed carrying handle provides comfortable carrying, and the cushioned shoulder strap and trolley fastening strap keep your hands free and allow you to travel with ease.

The MultiCompact is made from robust polyester and the front pocket and flap have reinforced edges.

Available in Red, Beige, Brown (see Hypertec for Black option)
