An exclusive case made of high quality leather and koskin

A case made of high quality leather and koskin with stylish light brown leather inserts. This is a stylish business case for the professional on the move.

The notebook compartment has padding on all sides to protect the contents from any knocks and bumps. The front compartment has an integrated workstation with pockets for mobile phone, pens and business cards as well as small pockets for mobile accessories. Documents are well placed in an extra compartment, whilst power supply units are stored in a separate cable bag.

The custom designed leather handle provides the best carrying comfort.
