

MultiSlight front loader

Light weight sub-notebook case

Light weight and handy!

The smallest case in the Multi range, suitable for all current* sub-notebooks. The ideal travel companion and always within reach at any business appointment.

The lockable sub-notebook compartment is perfectly protected on all sides by the highly effective cushioning made of High-Density Foam (HDF) and Nyflex material, the reinforced frame and notebook strap.

Additional storage space for mobile accessories and documents is provided by the integrated workstation, (which has the new extractable CD compartment) in the case interior, as well as the newly designed exterior front pocket.

For carrying comfort, the MultiSlight also features an elastic shoulder strap and trolley fastening strap.
