

MultiLeather front loader

A durable leather case for notebooks up to 15.4"

The notebook compartment is lockable and has interior padding made of High Density Foam (HDF) which protects all your mobile equipment perfectly. The notebook strap also secures the notebook in place during transit.

The front compartment is equipped with special pockets for mobile phone, pens, and business cards. Mobile accessories find room in various compartments and pockets within the well designed workstation whilst there are 2 specific document pockets - one zippered - to keep paperwork safe. An extractable CD compartment and cable bag bring additional order to your case.

The custom designed Dicota leather handle is the most comfortable case handle available on the market, and the shoulder strap and trolley fastener add extra carrying options for this high quality leather case.
