

PerfectSkin 15.4" slipcase Colour

Protects your notebook perfectly from scratches and other small damage

PerfectSkin provides a flexible protective hull for your notebook. For anyone who wishes to temporarily transport their notebook in a light weight and flexible fashion, the PerfectSkin is the ideal option.

Made of robust and especially elastic neoprene, this slipcase perfectly adapts to the form of your notebook like a second skin, providing the best guarantee against surface damage such as scratches and dents.

The inside lining serves not only as padding but also as a rich, colourful contrast to the exterior material. Another advantage is the presence of a flap alongside the inner of the zip in order to avoid scratches on the notebook.

Available in red, blue, yellow, green, and pink.
