

# Start.Up toploader

*A 13" sub-notebook bag with a modern look.*

The Start.Up is the perfect companion for any business appointment where you need everything close to hand.

This specially designed bag offers not only room for your sub-notebook but also your mobile accessories: Documents and mobile accessories can be placed in the interior compartment or in the workstation inside the front pocket. In the separately cushioned interior compartment your sub-notebook is perfectly protected from knocks and shocks.

The Start.Up offers other advantages with its flexible carrying possibilities: the retractable carrying handles, the cushioned shoulder strap and the trolley fastening strap present you with all the options you will ever need.
