Warranty

Most Bosch equipment carries a 3 year limited manufacturer's warranty (excluding accessories) to be free from defects in workmanship and material under normal use and conditions. Bosch rechargeable batteries carry a 1 year warranty. All Bosch accessory items carry a 90-day warranty to be free from defects in workmanship and material under normal use and conditions. Warranty does not cover normal wear and tear on the product or any other physical damage unless the damage was the result of a manufacturing defect. This warranty is void if damage occurred because of misuse or if the product has been repaired or modified by anyone other than a factory authorized service center. Contact Listen or see the Listen website for further details.
