

VisorMag™

Clip-on, Flip-up, Visor Magnifying Glasses

VisorMag™ is a set of clip-on, flip-up magnifying glasses that attach to the brim of most caps and hats. Perfect for fly-tying and all fly-fishing needs. Complete with a protective soft-pouch, its crystal-clear acrylic lenses give you a sharp, distortion-free view that allows you to see the finest details with ease.

Directions: Clip **VisorMag™** onto the brim of your hat. Flip-down lenses for magnified image, flip-up for normal viewing. For best results, position lenses close to your eyes. For eyeglass wearers, position lenses in front of your eyeglasses.

- Great for Fly-Tying
- Perfect for Model Building and All Hobbies
- Includes Protective Soft Pouch

Magnification:

VM-10: 1.75x (+3.00 diopters)

VM-12: 2x (+4.00 diopters)
