

DOMKE®

F-804 Super Satchel

701-84B - BLACK

Here's a bag that's big and versatile enough to carry your digital SLR camera, or professional studio lighting equipment, or a couple of 11" x 14" print storage cases, or two compact studio strobe lights and power pack, or a 4" x 5" field camera and lenses, or laptop computer and portable printer.

- Seven compartments and pockets including two expandable cargo pockets with individual weather flaps
- Hook and Loop strips inside main compartment accept most Domke Padded Inserts
- Adjustable Gripper™ Shoulder Strap sewn completely around Satchel
- Main compartment: 15"L x 6.5"W x 12.5"D
38 x 16.5 x 31.5 cm
- Weight: 3 lbs. 1 oz.
- Available in black canvas
- Luggage sleeve accepts most baggage carriers
- Carry laptop in first compartment and Digital SLR in main compartment using optional inserts
