

Soft Spa™

Memory Foam Massage  
Bath Pillow  
Wireless Remote Control

Congratulations and thank you for being a customer of Pretika! Before using your Soft Spa, please take a moment to get to know your Soft Spa® Bath Pillow and how it works. After you remove the clear poly bag, you may notice a slight odor – this odor can be common and is completely harmless. Allow the pillow to “air-out” and the odor will dissipate after 24 hours.

**How To Install or Replace Batteries**

Wireless Remote Control requires 3 “AAA” batteries (not included). To install or remove batteries:

1. Make sure Button is in the Off position.
2. Press Battery Compartment slide and pull back gently to release cover.
3. Carefully pull out batteries (if replacing) and insert 3 new “AAA” Alkaline Batteries. Use the markings in the battery compartment as a guide to position the (+) positive or (-) negative end of each battery.
4. Replace Battery Compartment cover, ensuring waterproof gasket is in place, by placing cover within the tracks and press cover closed.
5. To avoid leakage, check the batteries regularly for deterioration. Remove exhausted batteries and remove the batteries if the pillow is not to be used for a long time.
6. Pillow will not work if batteries are not placed in unit correctly.

Pillow motor requires 4 “AAA” batteries (not included). To install or remove batteries:

1. Carefully unzip compartment closure of Micro-Fiber cover - open zipper slowly – making sure that zipper tracks are free from outer material and inner PVC cover material.
2. Make sure On/Off Button (red) is in the Off (raised) position.

3. Remove waterproof battery compartment from cavity inside pillow.
4. Open cover to battery compartment cover by turning counter clockwise.
5. Carefully pull out batteries (if replacing) and insert 4 new “AAA” Alkaline Batteries. Use the markings in the battery compartment as a guide to position the (+) positive or (-) negative end of each battery.
6. Replace Battery Compartment cover, ensuring waterproof gasket is in place, by placing cover on compartment and turning clockwise. Do not over tighten.
7. Place battery compartment inside pillow cavity and zip Micro-Fiber cover closed. Close zipper slowly – making sure that zipper tracks are free from outer material and inner PVC cover material.
8. To avoid leakage, check the batteries regularly for deterioration. Remove exhausted batteries and remove the batteries if the pillow is not to be used for a long time.
9. Pillow will not work if batteries are not placed in unit correctly.

It is our experience that if a product uses batteries, many of the problems thought to be product defects are simply caused by weak batteries. To save any unnecessary inconvenience and expense, we encourage you to try replacement batteries before you return the product.

**Safety**

This bath pillow has been designed with your safety in mind. No pillow can guarantee your safety. Please use caution when you bathe.

Follow these simple instructions:

- Wet bottom side suction cups before securing
- Press cushion firmly onto smooth, non porous surface, place against the upper back wall of the tub to secure suction cups to surface
- To lift-up suction cup – gently lift each cup up one at a time – do not pull-up on pillow
- After each use – allow cover to dry, remove pillow, rinse cover thoroughly and hang dry
- Please be sure to use as directed.
- If pillow gets wet, simply remove from cover and allow sufficient time for Micro-Fiber cover to dry completely before using again.
- The maximum weight capacity is 20 lbs. (9.0 kgs)

**To Clean Micro-Fiber Cover**

After each use, simply wash by hand and air dry. Machine washable, delicate setting at warm temperature using mild detergent. Recommended to air dry only – may tumble dry on delicate setting at a low temperature.

**Warning**

Suction cups will not securely attach to certain textured bathtub surfaces – please test before use. Keep bath tub surface clean. Caution: If you are using a pacemaker or are pregnant, consult a physician before using this FCC certified wireless remote appliance. The continued use of bath oils and other bath products may reduce the Bath Pillow’s safety and appearance. Please use all safety precautions when entering and exiting the bath tub. Children should be attended by an adult while using. Bath Pillow is not to be used as a floatation device. Caution - Makeup, Dyes, and some cleaning products may stain pillow. Do not submerge Remote Control or Pillow in water. Do not attempt to repair Pillow – there are no serviceable parts. For service, send the Pillow to the Pretika address shown in the Warranty section.
