Assembly

Front View

- 1 Open the base and position it so that the front faces you.
- 2 Position the right main door with the flat, rectangular area facing you.
- 3 Fit the right main door top peg into the upper hinge in the door opening.
- 4 Slide the right main door bottom peg into the lower hinge in the door opening.
- 5 Repeat this procedure to attach the left main door.
- 6 Fit the end of the flag post to the peg on the top surface of the base.
- 7 Insert and snap the peg on the toy latch into the hole in the front of the base, above the cactus.
- 8 Fit the fence clamps to fence posts to create the corral.

Proper label application will help to keep the labels looking their best.

- Wash your hands before applying the labels.
- Make sure the areas where the labels will be applied are clean and dry. Wipe this product with a clean, soft, dry cloth to remove any dust or oils.
- For best results, do not attempt to apply a label more than once.
- Apply the labels (#1, #5, #10 and #14) as shown in the illustration.

Assembly

- 9** Position the base so that the inside faces you.
- 10** Insert and snap the blacksmith shop balcony tabs into the slots in the blacksmith shop wall.
- 11** Insert and snap the blacksmith shop floor tabs into the slots in the blacksmith shop wall.
- 12** Insert and snap the tabs on the blacksmith shop sign into the slots in the blacksmith shop floor.
- 13** Insert and snap the peg on the main door lock into the hole on the main door.

Proper label application will help to keep the labels looking their best.

- Wash your hands before applying the labels.
- Make sure the areas where the labels will be applied are clean and dry. Wipe this product with a clean, soft, dry cloth to remove any dust or oils.
- For best results, do not attempt to apply a label more than once.
- Apply the labels (#2, #4, #6, #7, #8, #9, #11, #12, #13, #15) as shown in the illustrations.

Launching Barrels & Boulders

⚠ CAUTION

- Only use the projectiles (barrels and boulders) supplied with this toy.
- Do not fire at people or animals.

- Fit a barrel into the gattling gun. Press the barrel until the spring cocks.
- Press the trigger to launch a barrel!

- Press the spring to cock the launcher.
- Pull the tab on the rock shelf completely out.
- Fit the slot in the launcher onto the tab.
- Place a boulder on the rock shelf, in front of the launcher. Press the detonator to shoot the boulder.

Hint: Remove the launcher from the rock shelf to shoot boulders off of any fort surface.

Blow up the Tower!

- Remove the launcher from the rock shelf.
- Press the spring to cock the launcher. Fit the slot on the launcher onto the tab on the tower.
- Press the detonator and watch the tower "crumble"!

Hint: To "re-assemble" the tower, simply lift the top of the tower to the upright position.

- You can also "blow" up the jail wall! Simply follow the same procedure.

Storage

- Place all accessories inside the fort.
- Rotate the side walls closed.
- Lower the toy latch over the peg to keep the fort closed.

Care

To clean, wipe the surface of this toy with a damp cloth. Do not immerse this toy.
