## RMG Plug-and-Play Cassettes

ADC's RMG series fiber enclosure provides rugged and durable protection for patching or splicing of fiber cables. Especially designed to be user-friendly, the slide-out design and removable front and rear panels provide convenient access points.

The RMGs modular MPO cassettes can be used in any of the RMG series fiber enclosures in a LC and SC connector styles and 62.5/125  $\mu\text{m}$ , 50/125  $\mu\text{m}$ , 50/125  $\mu\text{m}$  laser optimized to 300 meter multimode and singlemode glass types. Designed for easy installation and allowing rapid deployment with less labor.

### Features:

- Completely interchangeable between RMG panel products
- Can be ordered with all standard types duplex and quad multimode and single mode adapters
- Modular design reduces installation costs
