

6-Position Listening Center

Model 3432PLC

1. 3432 Classroom Cassette Player/Recorder
 - Seven built-in 1/4" headphone jacks for listening center uses with additional Remote and Mic jacks
 - Cue & Review, 2X counter to locate lesson materials
 - Built-in electret microphone can't get lost or misplaced
 - Pause and tone controls
 - Auto Logic Control (ALC) for quality recording
 - 3 Watts RMS loud enough for classes up to 50 people
 2. Impact resistant 2001 Carry / Storage Case
 3. Six 2924AVP Monaural headphones
 - Fully adjustable, noise-reducing earcups made with rugged ABS plastic for added durability
- One year warranty for school use - unlike media players purchased from consumer electronics stores whose warranties would be voided if used in schools

Designed for groups up to seven students for language and literature studies, library uses, literacy groups, ELL and ELD applications. And for effective classroom presentations, standing the cassette player upright distributes the sound out to the audience, not up at the ceiling with its Directional Sound™ feature.
