- Remote Control - type: RT797 / 101 (silver) for 14PV503 & 14PV505

Product Highlights

• Turbo Drive

Enjoy the ease of use and the comfort of one of the fastest VCR decks in the world.

• Plug & Play

Installing a Combi has never been easier! No need of the user manual. Just let the Combi guide you through the installation steps.

• Wake-up and Sleep Timer

Automatically turns the Combi on and off at a preset time. Sleep timer settings are programmed in 15-minute increments.

• Dual Alarm

Allows separate alarm settings to accommodate couples with different schedules or provide additional security. This function comes in addition to the Wake up timer.

• Repeat Alarm

With hit on any remote key – standby switches it off – the alarm is repeated after 10 minutes.

• Weekend Sleeper

Can be programmed not to sound on weekends, allowing users additional uninterrupted sleep.

• Tele Text / Fast Text

with Favourite Page Memory

For even faster access to your favourite information, assign one „favourite page“ per channel.

• VPT/TXT Programming

Easy timer programming under your thumb? Always with the latest update of programme information? Without any need of a programme magazine? Just switch to the Teletext programme guide and press the Timer key. VPT/TXT programming will directly obtain the correct programme data for the desired timer from Teletext.

• Crystal Clear Video

With Crystal Clear Video, Philips has created the perfect combination of technologies to guarantee the best possible picture restitution:

- Digital Studio Picture Control: It optimises the picture rendition regardless of the quality of tape used.
- Laser Cut Video Heads: They have a better profile for a superior head/tape contact: Lesser wear guarantees longer life and higher performance quality.
- Studio Tracking System: It improves the tracking accuracy and reduces the cross-talk noise.
- Natural Colour: It cleans the colour from any kind of noise and corrects the spill.
