Script Draft: FINAL

"Instruction Manual"

**INSTRUCTION BOOKLET**

**PLEASE CAREFULLY READ THE SEPARATE HEALTH AND SAFETY PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME CARD OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT HEALTH AND SAFETY INFORMATION.**

**IMPORTANT SAFETY INFORMATION: READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES.**

### **WARNING - Seizures**

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes or patterns, and this may occur while they are watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch their children play video games. Stop playing and consult a doctor if you or your child has any of the following symptoms:

**Convulsions  
Altered vision**

**Eye or muscle twitching  
Involuntary movements**

**Loss of awareness  
Disorientation**

- To reduce the likelihood of a seizure when playing video games:
  1. Sit or stand as far from the screen as possible.
  2. Play video games on the smallest available television screen.
  3. Do not play if you are tired or need sleep.
  4. Play in a well-lit room.
  5. Take a 10 to 15 minute break every hour.

### **WARNING - Radio Frequency Interference**

The Nintendo DS can emit radio waves that can affect the operation of nearby electronics, including cardiac pacemakers.

- Do not operate the Nintendo DS within 9 inches of a pacemaker while using the wireless feature.
- If you have a pacemaker or other implanted medical device, do not use the wireless feature of the Nintendo DS without first consulting your doctor or the manufacturer of your medical device.
- Observe and follow all regulations and rules regarding use of wireless devices in locations such as hospitals, airports, and on board aircraft. Operation in those locations may interfere with or cause malfunctions of equipment, with resulting injuries to persons or damage to property.

### **WARNING - Repetitive Motion Injuries and Eyestrain**

Playing video games can make your muscles, joints, skin or eyes hurt. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. Parents should monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists, arms or eyes become tired or sore while playing, or if you feel symptoms such as tingling, numbness, burning or stiffness, stop and rest for several hours before playing again.
- If you continue to have any of the above symptoms or other discomfort during or after play, stop playing and see a doctor.

### **WARNING - Battery Leakage**

The Nintendo DS contains a rechargeable lithium ion battery pack. Leakage of ingredients contained within the battery pack, or the combustion products of the ingredients, can cause personal injury as well as damage to your Nintendo DS.

If battery leakage occurs, avoid contact with skin. If contact occurs, immediately wash thoroughly with soap and water. If liquid leaking from a battery pack comes into contact with your eyes, immediately flush thoroughly with water and see a doctor.

To avoid battery leakage:

- Do not expose battery to excessive physical shock, vibration, or liquids.
- Do not disassemble, attempt to repair or deform the battery.
- Do not dispose of battery pack in a fire.
- Do not touch the terminals of the battery, or cause a short between the terminals with a metal object.
- Do not peel or damage the battery label.

## **Important Legal Information**

## Spring into Action as Bolt or Penny!

Hurry! You must rescue Penny's dad from the evil Calico.

Battle your way from Italy to Russia, to Calico's secret island in five action-packed levels. Hack computers and learn new combo moves. The fate of the world is in your hands!

But be careful - you'll need all of Bolt's super powers and all of Penny's wits to protect yourself from Calico's dastardly shadow organization.

## Getting Started

1. Make sure the **POWER** switch is **OFF**.
2. Insert the *Walt Disney Pictures BOLT* Game Card in the Nintendo DS™ slot.
3. Turn the **POWER** switch **ON**. Note: the *Walt Disney Pictures BOLT* Game Card is designed for the Nintendo DS™ system.
4. Please read and accept the Health and Safety screen by touching the bottom screen.
5. If the game does not automatically launch, select the *Walt Disney Pictures BOLT* game icon from the DS launch screen.

ACT I:

## Starting a Game

When the main menu appears, choose Play Bolt or DGamer (Multi Play WiFi). If you select Play Bolt, you will be given the following options:

**New Game:** Play the main game from the beginning. If you've already saved a game, a message will warn you that saved data will be lost.

**Load Game:** Start playing your game from the previously saved point.

**Multiplayer:** Select Multiplayer, then choose from two different modes: Hacking Game and Arena Battle.

**Rankings:** Check your results in each mission.

**Options:** Turn music and sound effects ON and OFF, access the microphone test and options, and choose to play left- or right-handed.

**Rhino's Mission!:** Starts Rhino's Minigame.

**Extras:** Access the Cheats screen, view a special trailer, view the Credits and much more.

FADE IN:

## Levels

Your quest for Penny's father will take you through five action-packed levels. Clear all of the missions in each level to keep advancing.

*Italy: Crash a meeting of Calico's men.*

*Russia: Keep Calico from carrying out his dastardly plans.*

*Oceania: Reach Penny's father on this hidden island before it's too late.*

*China: Only Penny's technical genius can hack Calico's computer system.*

*Belize: Avoid capture in the Mayan Temple.*

## HUD:

Top Screen:

The top screen provides info about the current mission, such as the location name, the mission objective, elapsed time, and progress achieved.

Press **SELECT** to display a map of your current location in the mission.

Bottom Screen:

The bottom screen is where the action happens. Your character and your health can be found in the lower left portion of the screen.

Use the **+Control Pad** to find your way through the mission.

Cut to:

## Pick-Ups

### Health Recovery Pick-Ups

Navigate over these objects to collect and recover lost health.

### Energy Pick-Ups

Navigate over these objects to collect and recover lost energy.

*Hint: Completely replenish Bolt's energy when you enter one of these areas.*

*Health Power Up*

Increase the maximum capacity of Bolt's and Penny's health bar with these special items. There are 20 per character throughout the game.

*Energy Power Up*

Increase the maximum capacity of Bolt's and Penny's energy bar with these special items. There are 20 per character throughout the game.

FADE OUT. EXIT ACT I.

## ACT II: FADE IN Minigames

In some levels, you'll have to hack into different computer systems. Use the **stylus** and follow the directions in the top screen.

As you play, earn rewards, such as extending the time clock or eliminating hazards from the screen.

Successfully link the icons to create a chain and further increase your success bar.

There are 5 levels. The higher the level, the more difficult the patterns become.

## ACT III: Cut to Bolt's Multiplayer Challenge

### 2P Hacking Game

Compete against a real player in the Hacking Minigame. The first player to fill the progress bar to 100% wins.

Before the game starts, set up the game difficulty, stage, game clock, and core model.

Land successful attacks to increase your charge gauge.

Touch the Fire (icon or **X Button**) to change to a power attack.

If time expires with no winner, the game ends in a tie.

### The following power ups can be used:

- **Noise:** Fill your opponent's screen with static.
- **Pierce:** Launch shield-piercing items on your opponent's screen.
- **Security Devices:** Spawn security devices on your opponent's screen.

Go to **Boltvideogame.com** for more information and activities for Bolt's Multiplayer Challenge.

FADE TO:

## 2P Battle Arena

Team up with a friend to battle against the enemies. The host controls Bolt and the guest controls Penny. Play together through one mission in each of the game's five levels. Use Bolt's and Penny's special powers to work your way through the missions.

FADE THROUGH BLACK:

## Rhino's Mission

Now the super fan can be the super hero! Play as Rhino in multiple environments, where he will go on a mission, just like Bolt does.

## Walt Disney Pictures Bolt: Be-Awesome Edition

Are you hungry? If you have this version of game, you will have twice as many missions to conquer and can unlock a Rhino avatar accessory for DGamer™.

## DGamer

Choose DGamer™ to enter the new online community exclusively for Disney gamers. Once inside, check out all of the cool achievements you've unlocked, send gifts and chat with friends, create a 3D avatar and more. (See the DGamer Quick Start Guide or visit [www.dgamer.com](http://www.dgamer.com) for more details.) Plus, while in LCD Off Mode you can plug in your headphones, close your DS and listen to the music from DGamer.
