CAPACITY

5/8 Gallon Tank (2.3L). Up to 60 cups per hour

TEMPERATURE RANGE

Adjustable from 140°F to 190°F (60°C to 88°C)

HEATING ELEMENT

780 Watts, 6.5 Amps. 120 Volts, 60 Hz

BUILT TO LAST

Insulated, stainless steel tank for long life

WEIGHT

Shipping: 7.6 lbs. (2.84 Kg)

TANK DIMENSIONS

HEIGHT	WIDTH	DEPTH
11.2" (284mm)	6.8" (173mm)	8.1" (206mm)

Due to continued product improvement, specifications may be subject to change without notice.

Installation Benefits
Easy to install Quick-Connect fittings and improved connections reduce probability of kinked or twisted water lines.

Fingertip Adjustment
190° hot water at your fingertips. Adjusts from 140° to 190°. Great for cooking, instant coffee, tea or use in a wet bar.

Energy Efficient
Uses less electricity than a 40 watt light bulb, costing less than \$2.00/month to operate. Comes with installed power cord.

Improved Performance
780 watt heating element allows faster recovery time compared to other brands. A large 5/8 gallon reservoir delivers a generous 60 cups per hour capacity.

Automated Heater Protection
Self re-setting thermal fuse protects the product in the event of a dry start up.

Improved Performance
Due to the high temperature of the water, the tank is not under pressure. Our self-contained expansion chamber reduces dripping and will not explode, causing leaks, as with competitors product.

“OPEN VENT” FAUCETS

Tahoe Series (hot only)

Available in Chrome (H510-CH), Biscuit (H510-BQ), and White (H510-WT)

Laguna Series (hot only)

Available in Chrome (H520-CH), Biscuit (H520-BQ), and White (H520-WT)

Sonoma Series (hot only)

Available in Chrome (H610-CH), Brass (H610-BR), Satin Nickel (H610-SN), Biscuit (H610-BQ), and White (H610-WT)

Sierra Series (dual temperature)

Available in Chrome (D620-CH), Brass (D620-BR), Satin Nickel (D620-SN), Biscuit (D620-BQ), and White (D620-WT)

Coronado Series (hot only)

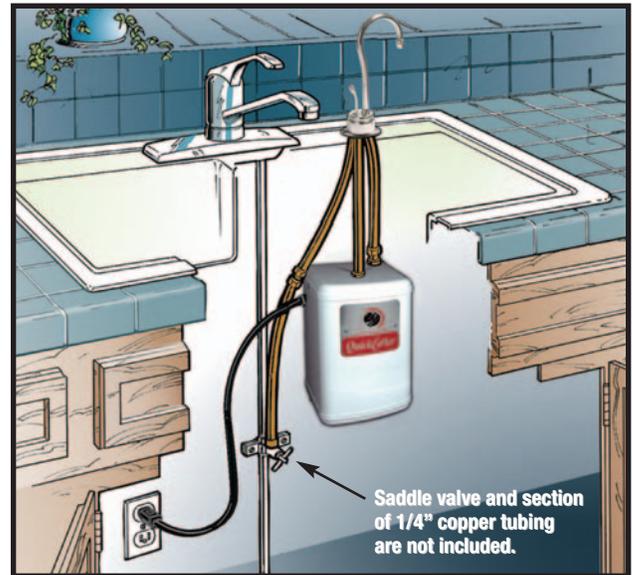

Available in Antique Copper (H710-AC), Polished Chrome (H710-CH), Brass (H710-BR), Satin Nickel (H710-SN), Biscuit (H710-BQ), White (H710-WT) and Oil Rubbed Bronze (H710-ORB)

Madera Series (dual temperature)

Available in Antique Copper (D720-AC), Polished Chrome (D720-CH), Brass (D720-BR), Satin Nickel (D720-SN), Biscuit (D720-BQ), White (D720-WT) and Oil Rubbed Bronze (D720-ORB)

TYPICAL INSTALLATION

Newport Series (hot only)

Available in Antique Copper (H730-AC), Polished Chrome (H730-CH), Satin Nickel (H730-SN), and Oil Rubbed Bronze (H730-ORB)

Monterrey Series (dual temperature)

Available in Antique Copper (D740-AC), Polished Chrome (D740-CH), Satin Nickel (D740-SN), and Oil Rubbed Bronze (D740-ORB)
