Product highlights

20 times longer operating time

LEDs consume much less energy than incandescent bulbs, so your batteries will last up to 20 times longer, saving you money on replacement of batteries.

100,000 hours LED life

Light source replacement is unnecessary due to extremely long LED life.

Innovative LED technology

A Light Emitting Diode (LED) is an energy efficient improved lighting technology.

2x ExtremeLife AA included

The Philips batteries that are advised for the product are enclosed in the packaging to make immediate use possible.
