

SHARP®

RK-93S27 27" Built-In Trim Kit

Product Information

The Sharp RK-93S27 27" stainless steel Built-in Trim Kit provides stability and support for built-in Sharp microwave ovens as well as an attractive custom fit for your cabinets. It is compatible with the Sharp R-930CS microwave oven, and converts this model from a countertop to a built-in unit, freeing up counter space.

- White built-in trim kit
- Compatible with the Sharp R-930CS microwave oven
- Transforms a countertop unit into a built-in unit
- Adds support and stability to microwave once installed
- Blends microwave into the surrounding cabinetry for a more attractive façade
