* Not all equipment is standard. See Features, Options and Packages chart for details.

[†] Based on NHTSA's 2006 model-year ratings.

[‡] Based on 2006 competitive minivans. Excludes other DaimlerChrysler minivans.

[§] Always sit properly in the seat with the seat belt fastened. Always observe the passenger air bag indicator lamp to determine if the OCS classification is appropriate. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

[¶] Detects most obstacles. As with all electronically controlled devices, care is advised.

^{**} Always check entire surroundings before backing up.
