Magnafire® Custom Cab Brow Mounts (1500 Series)

Custom cab brow mounting with a Magnafire 3000® high intensity light. Available for Spartan Custom Cabs.

- Each mount is vehicle specific, cast formed to match roof radius for easy installation and a professional look. Cab mounted casting with a 3.055" radius angle bracket designed for attachment of a Magnafire Series light to a cab roof with a radius from about 2.5" to about 3.5"
- The Magnafire 3000® cast aluminum housing floodlight 10° downward angle design provides optimal scene lighting around your truck to see and be seen at the incident!
- More light, less watts! Allows you to add more lights to your apparatus without increasing the total electrical load (i.e. bigger generator).
- *Contact your OEM dealer for availability!*
