Dodge Sprinter Prisoner Transport Inserts

New Dual Slam Latch Design
Automatically locks doors when slammed shut. 2 extra heavy duty locking points on each door.

Dome Lights
Enable officers to see into compartments in preparation for opening doors for loading/unloading.

3 Compartment Prisoner Transport Insert

This all aluminum construction has a capacity of up to 12 prisoners, plus driver and passenger. This model includes a maximum security side compartment. All compartments include emergency hatches. The unit is finished with white medium texture powder coat finish for durability, easy cleaning, and a bright appearance. The standard interior dome lights ensure superior visibility inside the compartments. Available in single and double compartments.

Model KK-S-120-6 shown

Other Recommended Products for Dodge Sprinter

Rear Load Light
Provides light in night-time emergency situations. Roof load or backup light for mounting above rear or side entrance doors.

KK-RLL

Seat belts
Standard two-point lap belt seat belts are the added safety feature to reduce department liability.
