# SC-550-10CH

Hand Control For  
SC-550 Light Control Siren

## Improvements to Original Hand Control

- ✓ Individual Aux legends with more selection
- ✓ PA PTT Knob like standard siren mics
- ✓ Light Bar Slide Switch moves easier
- ✓ Push-Button switches have tactile feel
- ✓ **Includes Five Year Limited Warranty**

Introducing the updated SC-550 Hand Control. The four auxiliary lighting/device legends may now be placed individually with more selections than before. The PA PTT knob has an improved feel and is more like those on standard siren microphones. The light bar slide switch is easier to move while the push-button switches have better tactile feel.

The SC-550-10CH Hand Control which comes standard with the SC-550-10 14 Light Control Siren may be purchased separately. This updated Hand Control is a replacement for the Hand Control on the Original SC-550-83 Light Control Siren.

The SC-550-10CH Hand Control has the same modular plug that is used on the re-designed Hand Control for the SC-550-83 Model. The earlier SC-550-83 Models have a circular DIN connector for the hand control. **The earlier SC-550 Model will need to be upgraded with the rectangular modular connector to use SC-550-10CH Hand Control.**

SC-550 Amplifier with circular DIN connector needs upgrade

SC-550 Amplifier with rectangular modular connector is what is required

SC-550 Amplifier upgraded with rectangular modular connector
