Setting up the Pack 'N Play® is easy, but only if you know how.

To Set Up Your Pack 'N Play®

Step 1.

Undo the three VELCRO® straps. Fold VELCRO® straps back onto themselves.

Set mattress aside.

Step 2.

IMPORTANT: Leave center of floor UP until all four top rails are latched.

Grasp the bottom of two of the top rails, and pull up until you hear a "click."

Be sure top rails have become rigid.

If not, pull up again until they are rigid.

FOR SMOOTH SETUP and takedown, it's important to remember one thing: the center of the floor must be at least halfway up when locking OR unlocking rails (see picture below). Therefore:

- **When setting up, lock rails BEFORE lowering center.**

- **When taking down, raise center halfway BEFORE unlocking rails.**

Step 3.

Pull up the other two sides until they latch.

NOTE: If top rails do not latch, lift the center of the floor higher. Center of floor must be at least halfway up for the latches to catch properly.

Be sure all top rails are rigid.

Step 4.

Hold one end of the unit up and push the center of the floor down.

At first your Pack 'N Play **may** be like a new pair of shoes. You may need to break it in by slightly stretching the netting and fabric. If the center does not stay down, place some weight (several books) in the center of the unit and let it stand overnight.

Step 5.

Do not use your Pack 'N Play without the mattress provided by Graco.

Cover soft side of mattress with fitted sheet (on certain models). Place mattress into your unit with padded side up.

Always use your unit with mattress installed soft side up.

Slide the two VELCRO® straps through slots in bottom of Pack 'N Play and fasten to VELCRO® on underside. This will prevent mattress from moving.

Make sure the mattress is installed properly before placing your child in the Pack 'N Play.

Your Pack 'N Play is ready to use.

Accessory Features (on certain models)

SIDE FLAPS:

You can raise side and end flaps if desired.

Unfasten VELCRO® strips at bottom of flap. Roll flap up.

Fasten in place with snap loops at top.

DO NOT machine wash or dry in a dryer. DO NOT dry clean. Spot clean with a damp cloth and a mild detergent. NO BLEACH.

MESH NET:

Mesh net can be fitted to the top of the Pack 'N Play if desired.

CARGO BAG:

The cargo bag can be snapped on to the end of the Pack 'N Play for easy access. Unzip both ends and tuck inside the bag. Maximum weight 5 lbs (2.3 kg).

CASTERS:

To apply the locks, push **DOWN** on the levers.

To release the locks, lift **UP** on the levers.

WHEELS:

To apply the locks, push **DOWN** on the levers.

To release the locks, lift **UP** on the levers.

To Fold Your Pack 'N Play®

Step 1.

Lower any roll-down flaps. Apply locks on wheels or casters. Release the two VELCRO® straps under the Pack 'N Play and remove the mattress.

Step 2.

IMPORTANT: Raise center halfway **BEFORE** unlocking rails.

Grasp center loop as shown and pull up approximately halfway to the top rails.

Step 3.

The top rail has a center piece with two tubes hidden under the fabric. The button on the bottom of the center piece releases the two tubes when it is pushed up.

To fold the top rail:

- Lift up slightly on the top rail.
- Push up on the button located under the symbol  to release the two tubes.
- Push down.

HINTS:

- If top rails do not unlatch, lift the center of the floor higher.
- Both tubes must be released for the top rail to fold.

Step 4.

Pull center up all the way.

Step 5.

Gather your unit together. Do not force.

If unit will not fold, look for a partially latched top rail. Squeeze the latch button to release the rail.

Step 6.

Find the bottom corner belt loop (only one). This loop is for holding unit and mattress together while carrying.

Step 7.

Wrap the mattress around your unit. Fasten together the VELCRO® straps, attaching the bottom strap to the bottom corner belt loop.

To Cover Your Pack 'N Play®

Step 1.

Pull cover over your unit. Be sure the carrying handle attached to the mattress is exposed.

Step 2.

On models with wheels, push the plastic end of bag over the wheels and feet of the unit.

Step 3.

Zip together.

The cargo bag (on certain models) opens on either end. Slip the bag over the Pack 'N Play. Check that the carrying handle attached to the mattress sticks out the hole in the bag. Zip both ends.
