

Musical Panda

Please keep this instruction sheet for future reference, as it contains important information.

Requires three "AA" batteries for operation (included).

An adult must attach toy to a crib and replace batteries.

Tool required for battery replacement: Phillips screwdriver (not included).

Battery Replacement

For best performance, we recommend replacing the batteries that came with this toy with three, new alkaline "AA" (LR6) batteries.

- Open the fasteners on the back of the toy.
- Loosen the screws in the battery compartment door with a Phillips screwdriver. Remove the battery compartment door.
- Insert three, new "AA" (LR6) **alkaline** batteries.

***Hint:** We recommend using **alkaline** batteries for longer battery life.*

- Replace the battery compartment door and tighten the screws with a Phillips screw-driver. Do not over-tighten.
- Close the fasteners on the toy.
- If sounds or lights become faint or stop, it's time for an adult to change the batteries.

Battery Safety Information

SHOWN ACTUAL SIZE

In exceptional circumstances, batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium).
- Insert batteries as indicated inside the battery compartment.
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the product. Dispose of batteries safely. Do not dispose of this product in a fire. The batteries inside may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type, as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the product before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

Crib Attachment

IMPORTANT! Always use the straps provided to attach this toy to a crib. Do not add additional strings or straps to attach to crib.

Note: If you are attaching this toy to a crib side rail that can be lowered and raised, make sure the crib side rail is in the raised (locked) position whenever a child is in the crib.

- Tie the toy's attachment straps to top crib rail.

Note: It is better to tie the straps in a knot than a bow, since a bow may be easily untied.

Fun Music and Lights!

- Attach Musical Panda to a stroller, car seat or high chair!

On/Off Switch

- Open the fasteners on the back of the toy. Slide the on/off switch to the ● position to turn the toy on. Close the fasteners.
- Tug the rings for music and a light up ladybug!
- When your child is finished playing with this toy, slide the on/off switch to the off position ●.

Care

- To clean, wipe the surface of this toy with a damp cloth. Do not immerse this toy.
- Do not drop this toy on a hard surface.
- This toy has no consumer serviceable parts. Please do not take this toy apart.

FCC Statement

(United States Only)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

Note: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.
