

# Nobody Compares

To Our Guts

**Extra-Large Capacity** means large loads aren't a problem. The 18 lb capacity 7.0 cu. ft. cylinder delivers superior tumble action to handle permanent press fabrics.

**Silver Lining Dryer Cylinder** with galvanized steel interior won't corrode, chip, crack or pit in normal use.

**The NetMaster® Control** makes programming the machine a breeze. The easy-to-read display shows vend price, cycle time and cycle status.

**The Touch Pad Control** allows for easy selection of four temperatures and cycles.

**Large, Upfront, Secured Lint Filter** is convenient to reach and easy to clean.

**Front Serviceability** means all major components can be serviced through upper or lower access panel.

**Large Dryer Window Option** is available for improved load visibility.

**Exclusive Security** features separate, reinforced coin vaults. Access can only be gained with a special key, yet replacement is conveniently made without moving or disassembling the unit.

**Large Coin Vault Option** is capable of handling \$150 worth of coins.

**Reversible Door** can open to the right or left so you can customize your laundry. (See-through door is non-reversible.)

**Superior Airflow (220 cfm)\*** and tumble action generated through 1/3 HP motor with quiet, efficient blower assembly.

\* Measured at point of exit from dryer.

**Leveling Legs** can be adjusted from inside the dryer to aid in tight installations.

Nobody compares with Speed Queen because you get more than quality products. You get peace of mind because you're dealing with a company that is committed to the multi-housing industry. You get the ongoing support of a national network of authorized Speed Queen route operators. And you get state-of-the-art electronic technology to maximize common laundry room profitability. What else would you expect from the world's leading supplier of commercial laundry equipment?

So what are you waiting for? Call us at 1-800-345-5649.
