

Speed Queen

The Competition Hates Our Guts

45 lb STACK TUMBLER

Large Door Openings
for customers' ease of
loading and unloading.

Dual Controls
allow for individual
operation and
greater reliability.

Micro-DISPLAY Control

NetMaster® Control

NetMaster® Control
enables you to customize special
promotions for your customers.

Münzprüfer Coin Drops
are best in class and check coins
with optical sensor for size,
weight and magnetics.

Dual Coin Vaults
allow greater revenue capacity.

Largest Lint Drawer
in the industry to minimize
owner maintenance.

Belt Drive
for quieter operation.

Patented Cylinder Holes
harmlessly pass drywall screws that
standard cylinder holes cannot.

Axial Airflow
ensures fabrics receive the most
concentrated drying possible —
saving you money.

3-Point Suspension System
extends tumbler life.

Two 45 lb Capacity Cylinders
provides 50% more rated capacity
than our 30 lb stacked tumbler.

Large Stainless Steel Doors
with extra wide hinges. The hinges
evenly distribute forces on the
door so that it can stand up to
heavy usage.

Commercial Quality Finish
Easy-to-clean white and durable
stainless steel.

From Front to Back, Our Products Are Built Better to Last Longer

Single Gas Connections
save money on installation costs.

Rated at 95,000 Btu/hr,
our tumblers dry efficiently,
effectively and quickly.

Individual Drive Motors
precisely control cylinder
rotation.

Nine-Step Paint Protection
provides lasting appeal and
durable finish.

Installation Depth of 48.62"
is comparable to many 30 lb
stacked tumblers.

Single 10" Vent
Both pockets join in a singular
vent that will save money in
installation costs.

Electronic Ignition
is energy efficient because of
the faster response and only
using gas when necessary.

Separate Fan Motors
each deliver 600 cfm through the
load for energy efficient drying.
