Electrolux benefit counters

560 liter

The Electrolux range of benefit counters combines the convenience of worktop space with cold storage. The models detailed on this sheet are 560 liter counters with built-in refrigerating unit and available with various combinations of doors and drawers.

Model 726147

CONSTRUCTION
• Models RCSN4M4, RCSN4M4T, RCSN4M32 and RCSN4M4U have internal and external doors, front and side panels and 50 mm thick removable worktop (except models without top) in 304 AISI stainless steel.
• Only on model RCSN4M44, internal and external structure, bottom, doors, front and side panels, base and 50 mm thick removable worktop in stainless steel.
• Back in galvanized steel.
• Insulation guaranteed by high density expanded cyclopenthane 50 mm in thickness.
• Legs (150 mm high) in 304 AISI stainless steel with plastic interior and adjustable in height.
• CFC and HCFC free.

• All models comply with the standards required by the main international approval bodies and are H marked.

PERFORMANCES
• Digital control panel allowing the easy and precise setting and control of the internal temperature.
• Completely automatic defrosting and automatic evaporation of defrost water by hot gas.
• Forced air cooling system guaranteeing great uniformity of the temperature in the counter and excellent conservation of the food quality.
• Operating temperature: -2/+10°C.
• Refrigerant gas R404a.
• Possibility to install on socklet.

• Kit with 1/2 sized drawers available as accessory.
• The refrigeration unit can operate in tropical climates (+43°C ambient temperature).
• High standards of hygiene and ease of cleaning are guaranteed by the rounded internal corners of the cabinet and easily removable runners and grids (without the use of tools).
• The door self-closes when opened less than at a 90° angle and is equipped with a door seal to guarantee perfect closure.
