

36" Dual Fuel Ranges

Wolf dual fuel ranges offer a variety of top configurations and standard dual-stacked sealed surface burners. The optional infrared charbroiler and infrared griddle give you the freedom to customize your range. The large electric oven features ten cooking modes and the Wolf exclusive dual convection system that delivers even temperature and airflow throughout. Dual fuel ranges are available in natural and LP gas.

Model DF364G shown. Also shown is Model W362210R Pro wall hood and Sub-Zero Model 650/S refrigerator/freezer.
