

# Speed Queen's

## NEW 55 lb Vended Single-Pocket Tumbler

### NEW 55 lb Tumbler

- Break-through product with no equal in the market.
- Largest capacity axial airflow drying tumbler produced domestically.
- Built on the same proven design as the 45 lb stack tumbler.
- Answers the call for a large capacity tumbler that fits through a 36" door.
- Outperforms 50 lb tumblers in speed and energy efficiency (based on in-house testing).

### Coin Laundry Impact

- Store owners can provide maximum drying capacity in a minimum amount of space.
- When paired with the 45 lb, the combination could be the most efficient drying duo on the market — cutting utility expenses.
- Built on the same design as the 45 lb, owners can feel comfortable they are receiving a durable product with a proven record of reliability.
