W	36"
H	84"
D	24" plus panel size
K/KK	35 3/4" / 17 3/4"
A*	4"
B/BB	28 13/32" / 51 11/32"
C*	1/8"

A: Area for installation the power connection.
 B: Area for running the water line. It is recommended the water box be placed adjacent to the installation cavity, so that it can be accessed for service without uninstalling the appliance. If this is not possible, place the recessed water-box adjacent to the water supply socket elevated at the heights as referenced in area A+B.
 D: Niche depth depending on kitchen design.
