

27" Wine Storage with Bulk Storage Drawers

Better wine storage conditions for the bottle ultimately means better enjoyment in the glass. Model 427RG has a wine storage capacity of 78 (750 ml) bottles and offers two bulk storage drawers for wine, soda, beer and snacks. Three independent storage zones maintain ideal temperature and humidity. The integrated design allows the unit to merge seamlessly into the décor.

Model 427RG installed next to model 736TCL integrated refrigerator/freezer.

FEATURES

- Upper cabinet wine storage and two bulk storage drawers.
- Custom front panels and hardware allow for infinite design options.
- Integrated design allows for dual installation with integrated unit.
- Individual temperature control of two separate wine storage compartments.
- Maintains ideal storing and serving temperature for all wines, humidity and UV protection.
- Wine storage temperature zones range from 39°F to 65°F—refrigerator drawers from 34°F to 45°F.
- Full-view, UV-resistant glass door—high altitude glass available.
- Illuminated touch control panel.
- Discreet cabinet interior lighting.
- Wine shelves accommodate 750 ml bottles, half-bottles and magnums.
- Roller-glide wine shelves with natural cherrywood facing have three-quarter extension for easy access.
- Illuminated display shelf for prized bottles of wine.
- Can be connected to home security system.
- Star-K compliant with installation of a harness kit.

ACCESSORIES

- Stainless steel front panels with tubular or pro handles—80" or 84" finished height.
- Stainless steel tubular and pro handles.
- Dual installation kits for installation with integrated column, tall or drawer model.
- Door lock.

Accessories are available through your Sub-Zero dealer. For local dealer information, visit the find a showroom section of our website, subzero.com.

ENEMIES OF WINE

Heat – Three independent storage zones can be set in a range of 39°F to 65°F, with one-degree digital accuracy.

Light – UV resistant bronze tinted glass shields wines from harmful rays.

Humidity – Three evaporators, one for each storage zone, maintain steady, moderate humidity.

Vibration – Sub-Zero's quiet compressors let wines rest undisturbed. Shelves glide out smoothly, providing access without agitating the wine.
