## General Information

---

**Introduction** The PLATO Web Learning Network provides browser-based PLATO instructional content, assessments, and instructional management 24 hours a day, 7 days a week.

---

**Purpose** This guide will help you become familiar with the PLATO Web Learning Network.

---

**Assumptions** This guide assumes you are familiar with your browser, including navigating to a specific Internet address or Uniform Resource Locator (URL).

---

**Additional resources** Along with this document, you can use the PLATO Web Learning Network online help by selecting the help link from the left navigation panel on each page.

For the most current version of the PLATO Web Learning Network Learner's Guide, be sure to check the learner guide link on the PLATO Web Learning Network navigation panel.

## Assignments

---

**Introduction** Select the Assignments link to display your assignments.

---

**Characteristics** Assignments usually contain multiple levels of activities. When you select an assignment, the assignment opens and displays other activities.

---

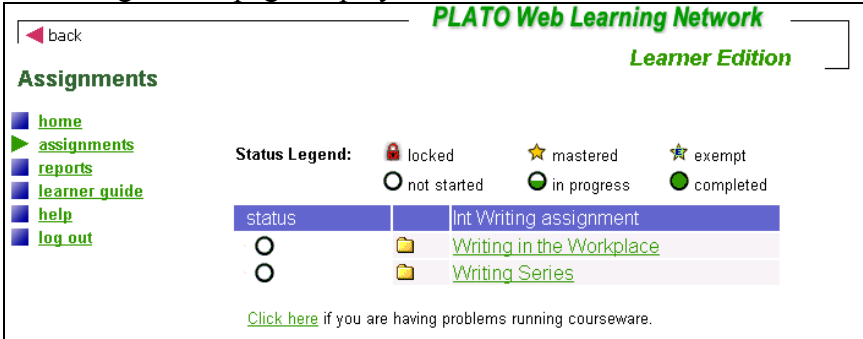

**Status** To the left of each assignment displays the assignment status. The table below identifies the different statuses you may see next to your assignments.

Status	Description
Locked (🔒)	You cannot select this item for a variety of reasons including the fact that you already completed this assignment. Your instructor can unlock an activity for you so you can access it.
Mastered (★)	You have successfully finished this assignment and all of the activities within the assignment.
Exempt (🌟)	You do not have to open (or finish) this assignment because of your performance on other assignments. You can open this activity if you want to see it, however.
Not Started (○)	You have not started (opened) this item.
In Progress (◐)	You have started (opened) this item, but did not complete it.
Complete (●)	You have finished the assignment and all of the activities within it. It is possible to finish an assignment but not master it. You may continue to work on the assignment until all of the assignments within it are mastered.

*Continued on next page*

**Opening assignments**

To open your assignments, follow the steps below.

Step	Action
1	Open PLATO Web Learning Network.
2	<p>Select the <b>assignments</b> link from the Navigation Panel.</p> <p><b>Result</b> The Assignments page displays.</p>  <p><b>Note</b> Depending on the courseware, you may have many levels of assignments before getting to an activity.</p> <p><b>Tip</b> Use the go up one level link to move back and forth through the activities.</p>
3	<p>Select the green assignment link.</p> <p><b>Result</b> A new browser window opens and the learning activity displays.</p>
4	<p>Follow the onscreen instructions to complete the activity.</p> <p><b>Reminder</b> Keyboard functions differ between PC and Macintosh computers. If you are using a Macintosh computer, use the number keys instead of the number pad. Also, use the Apple key instead of the Alt key, as necessary, within the courseware.</p>

*Continued on next page*

## Assignments, Continued

---

### Finishing assignments

When you finish an activity, the courseware browser window closes and a new page displays asking you to "click here" when complete. Select the **click here** link to display the assignments page for the activity you just finished. Then select the **Save Test Results** button.

---

### Instructor intervention

Your instructor can force you off PLATO Web Learning Network at any time. For example, your instructor may force you out of a learning activity if he or she sees that you have been in the activity for a really long time. When this happens, you will see an error when you return to the learning activity.

---

**Introduction** As a learner, you can view your performance in each assignment.

**Report types** The table below describes the different types of reports you can see from PLATO Web Learning Network.

<b>Report</b>	<b>Description</b>
Learner Progress	Displays your performance for each assignment, including the following information: <ul style="list-style-type: none"> <li>• Score</li> <li>• Tries</li> <li>• Time on Task</li> <li>• Completion Date</li> <li>• Mastery Date</li> <li>• Start Date</li> <li>• Last Date</li> </ul>
Graphic Progress Summary	Displays a graph to show your performance for each assignment, including the following information: <ul style="list-style-type: none"> <li>• Number of Modules Mastered</li> <li>• Percent of Modules Mastered</li> <li>• Total Time on Task</li> <li>• Average Module Mastery Time</li> </ul>
