## Colorstorm Premium Rubber Hoses

Six brilliant colours to compliment your garden! These professional grade rubber hoses are strong, durable and do not kink like vinyl hoses – even in cold weather down to -3°C. A special 6 sided design ensures a good grip and tolerates pressure to 128psi. Nickel-plated couplings for a trouble free connection.

5/8" diameter. 50 ft. Lifetime guarantee. Regularly priced at \$69.95.

**SAVE 20%**  
**\$55<sup>95</sup>**

## Soaker Hose

Using up to 70% less water than traditional watering, our 50' Soaker Hose is made from 65% recycled tire rubber. Simply snake your hose throughout your flower beds (connecting up to three hoses), and the water seeps through the thousands of non-clogging pores... even when buried! Measuring 5/8" in diameter and 50 feet in length, lay your hose at the beginning of the season and avoid the daily hassle of lugging your hose or sprinklers around the yard. 7 year warranty. **Item #80203**

**\$26<sup>95</sup>**

## Watering Timer

Now you can eliminate the worry of having to remember when to turn off your sprinkler. This handy timer from the watering experts at Dramm will set your watering time up to 120 minutes. Leave your home with the peace of mind that you're not wasting water or over hydrating your lawn. Available in Red. Weighs just 2 lbs. **Item #80328**

**\$19<sup>95</sup>**

## Colorstorm Rain Wands

Featuring an ergonomic insulated grip as well as a large, easy-to-use one touch lever, our 30" Rain Wand provides you a gentle, full flow stream for quick watering. Produced from professional grade materials for commercial durability and long life, these wands will provide up to 11 gallons per minute at 60 PSI. Lifetime guarantee. Regularly priced at \$29.95

**SAVE 33%**  
**\$19<sup>95</sup>**

## Lifetime Sprinkler

Many sprinklers on today's market can barely make it through a single season because of their inexpensive plastic components. For those of you who have experienced this frustration, you'll appreciate these lifetime sprinklers made of coated steel and solid brass. The jet nozzle creates fine droplets without the need for failure-prone moving parts. Spiked base

has a foot tread to make placement easy and a second fitting is featured so you can connect several end-to-end. Choose the short model or the 5 foot Hi-Rise model to reach over plants. Both water a 30 foot circle.
