

## SmartRemote

Wireless Glass Numeric Touchpad

Part. No.: TI003

The SmartRemote combines your mouse and a keyboard into one clever device. This will definitely save space on your desk. With a low-profile design and smooth glass surface, the SmartRemote replicates a touch-screen experience. SmartRemote is a square of convenience as it acts not only as a mouse, but also a keyboard. Control your Smart TV and type even faster on the screen; with single finger wipe, the keyboard turns into a touchpad.
