Klean Air Ionizer / Freshener

User's Manual

Thank you for purchasing the Auto Klean Air Ionizer / Freshener by Wagan Tech. With normal care and proper treatment it will provide years of reliable use. Please read all operating instructions carefully before use.

PRODUCT DESCRIPTION

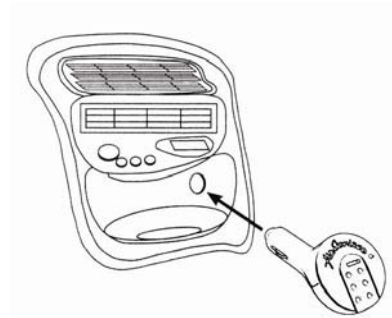

This vehicle air cleaner applies a car's DC12V power to generate and blow out air containing ozone concentration, which will remove odor and eliminate germs inside the car's cabin and keep air fresh. Refreshing and Cleans the air!

Capacity: 10 X 15 ft.

- Keeps You Clear-headed and Alert
- Eliminates Bacteria, Pollen, Dust and Other Contaminants
- Removes Unpleasant Odors and Fumes
- Reduces Musty and Stale Air
- Relieves Allergies, Hay fever and Asthma
- No Chemical

OPERATION

Plug in the cigarette lighter directly to the car's cigarette-lighting 12V power socket. The LED will light up to show that the power is on.

CAUTION

1. Do not plug any article into the ozone's ventilation to prevent electrical shock while the product is on.
2. Do not let any foreign matter drop into the ozone discharging hole. This may result in breakthrough from high pressure inside this product.
