

Hot/Cold

4 Liter

Personal Fridge

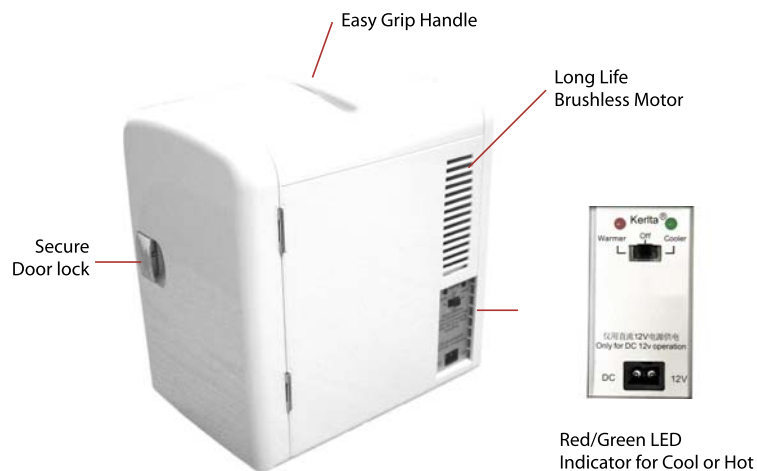

User Manual

The Hot/Cold Personal Fridge may be small in size, but it packs a mighty cool stuff. This personal fridge can hold an entire 6-pack of your favorite beverage. Great for keeping sandwiches, fruits, snacks, bottled water and juices nice and cold and right at your fingertips.

With this personal fridge, traveling with a baby has never been easier - holds bottles, fresh food and even medicines. For professional photographer keep photo films in cool condition.

Specification

Application: 12V
Power Input: Cold (48W) / Hot (36W)
Capacity: 4 Liters
Cooling: 36°F (1°C)
Heating: 154°F (68°C)
System: Non-wearing thermoelectric (plater system), cold/heat diffusion by coated aluminum container inside, heat dispersion outside by fan (long life brush-less motor).
Power Cord: 8 ft.
Weight : 5 lbs
Measurement: 9.875" (L) x 7.25" (w) x 11" (h)

Cooling

This unit can get cold fast. For quick maximum cooling, fill your fridge with pre-chilled items. The polyurethane-foam lining (without CFC) will maintain cool temperature for a while even after the unit is turned off.

Warming

The Hot setting is designed to keep food warm, not to warm, or not to warm up cold food. It will warm cold food, providing it has sufficient time to do so. When the door is properly closed, hot meals stay warm even.

Outdoor Use

Keep fridge out of direct sunlight if used outdoors. The temperature around the unit does affect its performance.

Cleaning

Use a damp cloth and mild soap to clean the unit. Avoid harsh cleaning agents and solvents. When storing the unit for long periods of time, make sure the interior is dry and well ventilated; leave door partially open.

Temperature control and automatic shut-off

Cooler: The unit will cool between 40-45°F (20 ~ 25°C) below room temperature. At about 34°F (1°C) it shuts off to avoid freezing the contents. It will automatically restart when the temperature reaches 38.8°F (4°C).

Warmer: Unit heats to a maximum internal temperature of about 150°F (68°C). At the maximum temperature, it will automatically shut off. Warming will automatically restart at 149°F (65°C)

Troubleshooting

Q: The unit is not functioning and the fan wheel (visible from the outside) is not turning.

A:Your vehicle's ignition might have to be on to power the outlet.

Q: The unit is getting power, but does not cool satisfactory and the fan is not turning.

A: The fan motor may be defective. Repairs should only be attempted by a certified technician.

Q: Unit is getting power, but does not cool satisfactory and the fan is turning.

A: The Peltier unit may be defective. Repairs should only be attempted by a certified technician.

WAGAN Corp Limited Warranty Registration Form

All WAGAN Corporation dba Honor International Corp. products are warranted to the original purchaser of this product.

Warranty Duration: This product is warranted to the original purchaser for a period of one (1) year from the original purchase date, to be free of defects in material and workmanship. WAGAN Corporation dba Honor International Corp. disclaims any liability for consequential damages. In no event will WAGAN Corporation dba Honor International Corp be responsible for any amount of damages beyond the amount paid for the product at retail. In the event of a defective item, please ship it, prepaid, with a complete explanation of the problem, your name, address and daytime phone number. WAGAN Corporation dba Honor International Corp will, at its discretion, replace or repair the defective part. This warranty is void if the product has been damaged by accident, in shipment, unreasonable use, misuse, neglect, improper service, commercial use, repairs by unauthorized personnel or other causes not arising out of defects in materials or workmanship. This warranty is effective only if the product is purchased and operated in the USA and does not extend to any units which have been used in violation of written instructions furnished.

Warranty Disclaimers: This warranty is in-lieu of all warranties expressed or implied and no representative or person is authorized to assume any other liability in connection with the sale of our products. There shall be no claims for defects or failure of performance or product failure under any theory of tort, contract or commercial law including, but not limited to negligence, gross negligence, strict liability, breach of warranty and breach of contract.

Warranty Performance: During the above one (1) year warranty period, a product with a defect will be replaced with a comparable model when the product is returned to WAGAN Corporation dba Honor International Corp. with an original store receipt. The replacement product will be in warranty for the balance of the one (1) year warranty period.
