## IS IT A SMART TV UPGRADER? OR SOMETHING BETTER?

Step up to better entertainment with the ST600 LG Smart TV Upgrader. If you care about entertainment (and who doesn't?) this product boasts the latest technology from LG providing almost unlimited internet connected capabilities.

A revolutionary, easy way to access limitless content, thousands of movies, customizable apps, videos and browse the web all organized in a simple to use interface. That's what you get with an LG Smart TV Upgrader experience, the next generation in entertainment organized within a simple interface.

Less clutter. More possibilities. Cut loose from messy wires. Integrated Wi-Fi Connectivity allows you take advantage of Internet Entertainment Access from any available Wi-Fi connection, anywhere in its range.

Access to videos, photos and music from your home network through this DLNA certified media player. This feature brings digital entertainment libraries within easy reach to the big-screen.
