

G-Shot P513

Mobile phone size 3M CMOS Digital Camera with 4x Digital Zoom

Genius is delighted to introduce its latest camera, the **super slim 3M CMOS digital camera G-Shot™ P513**. This fashionably designed model can attract people's eyes immediately by its exquisite lens cover and slim shape. G-Shot™ P513 is equipped with more powerful technology than other existing 3M CMOS digital cameras and includes a **maximum 5.0 mega pixel resolution** to assure you of high quality pictures anywhere.

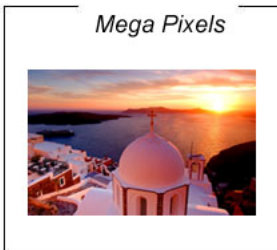

G-Shot™ P513 can be used as a **digital camera, video camera and webcam**. You don't need to spend a lot of money for the best camera functions. A friendly user interface lets you take pictures and video easily. With the built-in 16MB Flash memory, it also supports external **SD memory card up to 1GB** so you can take and save lots of your favorite photos and video.

The ultra-slim size of G-Shot™ P513 is just about the size of a mobile phone and you can take it anywhere. There's no doubt that your life will be more enjoyable with the G-Shot™ P513.

Selling Points

Max. 5.0
