A Singapore visa is not an immigration pass. It is a pre-entry permission for you to travel to, and seek entry, into Singapore. A holder of a valid Singapore visa who is found suitable for entry into Singapore will be issued with an immigration pass to enter and remain in Singapore.

Possession of a valid visa alone does not guarantee entry into Singapore. You must also meet the following entry requirements:

- (i) Hold a passport with at least 6 months validity;**
- (ii) Have sufficient funds for the period of stay in Singapore; and**
- (iii) Have confirmed onward/return air ticket(s).**

The grant of an immigration pass to you will be determined by the Immigration & Checkpoints Authority (ICA) officers at the point of entry. The period of stay granted is shown on the visit pass endorsement given on your passport and it is not tied to the validity of this visa. Please check your passport for the arrival endorsement and take note of the period of stay granted before leaving the checkpoint.
