

SEA GIRT RECREATION PRESENTS:

ADULT PHOTOGRAPHY CLASS

Camera Basic - Understanding Your Digital Camera

Instructor-Michael S. Miller of Visions Photographic Workshops

Did you get a new camera recently? Still confused about what all those fancy buttons, features and switches are for? Are you afraid to take the camera off of automatic and use the manual mode?

This workshop is designed as a “hands-on” user manual to help you understand all the features and functions that your camera has to offer. During this relaxed and fun workshop, Michael will guide you through the various camera menus and functions of your camera, making it an ideal workshop to get you started!

WHERE: Sea Girt School

WHEN: May 27, 2015

TIME: 6:30-9:00 pm 2 1/2 hours

COST: \$75 (min 4 people, maximum 8)
