- **SRS (●) TruSurround⁴**
Offers a six-speaker surround sound listening experience through the use of two stereo speakers.

Convenience

- **Parental Rating Control**
The RCA DVD Player gives studios the capability to put the control of movie viewing where it belongs—in parents' hands. It allows you to choose what is suitable for your child to see.[†] And without a password, the rating control cannot be altered—great when adult supervision is not always possible.
- **Multi-Language/Subtitle Capability⁸**
DVD discs can support up to eight different audio languages, 32 different subtitle tracks and closed captioning.
- **Programmable Playback**
Memorizes playback sequence of video chapters or audio tracks for automatic playback.
- **Chapter/Track/Search**
