

Vectair Systems Ltd

Standard Limited Warranty

The following "Limited Warranty Information" describes Vectair Systems standard limited warranty.

What Do Our Warranties Usually Cover? Our limited warranties cover defects in material or workmanship in new Vectair Systems products. Only customers purchasing Vectair Systems products from authorized Vectair distributors or resellers may obtain coverage under our limited warranties. For the specific warranty terms that apply to your product please contact Vectair Systems direct.

How Long Does The Coverage Last? Our warranty periods are 1 year, 2 years, 3 years or 5 years from the documented date of purchase, depending on the type of product and where it was purchased.

What Does Our Warranty Not Cover? Our warranties do not cover any problem that is caused by (a) commercial use; accident; abuse; neglect; shock; electrostatic discharge; heat or humidity beyond product specifications; improper installation; operation; maintenance or modification; or (b) any misuse contrary to the instructions in the user manual; or (c) malfunctions caused by other equipment. Our limited warranties are void if a product is returned with removed, damaged or tampered labels or any alterations (including removal of any component or external electrical cover(s)); (d) consequential damages; incidental damages; and costs related to removal and installation are not recoverable under our warranties.
