Before an individual can be granted access to a club, their record must be properly associated (listed as a contact) with that club. Refer to Adding Contacts to a Club portion of the Region Admin user manual.

CLUB ADMIN ACCESS:

Each season the following will take place:

- Annually remove club admin assignment for all lapsed members as of 11/1
- Annually remove club admin assignment for all non club-member club admins as of 11/1
- Club Admins *who have renewed and who had prior year Club Admin access* would remain actively assigned as Club Admin within their affiliated membership club.

Examples

- 1. Person A is a current member for the current season and has a membership affiliation with Club ABC and has Club Admin access for Club ABC. Person A renews their membership with the SAME CLUB for the upcoming season before the NOV 1 start date. Person A's Club Admin access WILL NOT be automatically removed at the end of his current season membership, it will continue through with the next season's membership.
- 2. Person A is a current member for the current season and has a membership affiliation with Club ABC and has Club Admin access for Club ABC. Person A DOES NOT renew their membership for the upcoming season before the NOV 1 start date. Person A's Club Admin access WILL BE automatically removed at the end of the current season membership.
- 3. Person A is a current member for the current season and is affiliated with Club XYZ as an adult player and has Club Admin Access to Club DEF (a junior club). Whether or not Person A does or does not renew their membership for the upcoming season before the NOV 1 start date, Person A's Club Admin access for Club DEF WILL BE automatically removed at the end of the current season membership as he is NOT affiliated as a member with that junior club.

AT THIS POINT: One record can have CLUB ADMIN access to only ONE Club.

Once access is granted, the following screens will be available to that user.
