How to play

After having unpacked your *Secret Treasure Box*, move the switch on the back to the ON position.

Using your secret key open your *Secret Treasure Box*.
As soon as the lid is completely open, the unit will play you a melody and light up the image in the mirror. You are now in the enchanted world of Disney Princess.

Press the heart key and listen to enchanted phrases and see the mirror lighting up to reveal the Disney Princess.

Slide the left drawer and enter in the world of Cinderella.
You can store here all your very own secrets!

Slide the right drawer and enter in the world of Aurora.
You can store here all your very own secrets!

If you have secrets that you wanted to protect from prying eyes, then lift the heart drawer and store them in the very secret compartment.

Using the invisible ink pen, you can write secret messages on your booklet.
To read them, use the torch, it's magic! The torch reveals your messages!

Blow above the mirror and listen to what a beautiful princess you are!
Mirror magically lights up.

Note: If key is lost, you can open your *Secret Treasure Box* by inserting the tip of a belt clip into the small hole below the key hole.

Please note the important points below when using batteries to power this product:

- Batteries should be inserted and removed by an adult.
- Only use the type of batteries specified in this user manual, or equivalent type. We recommend the use of alkaline batteries.
- Keep small batteries out of the reach of young children
- Follow the polarity diagram inside the battery compartment and the polarity markings on the batteries.
- An incorrect location may either damage the toy, or cause battery leakage, or, to an extreme degree, lead to battery explosion.
- Do not try to charge non-rechargeable batteries, as they may leak or explode.
- Replace all batteries at the same time.
- Do not mix new with old batteries
- Do not mix different types of batteries (i. e. alkaline and zinc carbon).
- Remove the batteries during long periods of non-use. Always remove exhausted batteries from the product. Battery leakage and corrosion can damage the product.
- Do not short-circuit the supply terminals. Store batteries away from metal objects.
- Do not dispose of batteries in fire, as they may leak or explode. Never disassemble batteries.
- Rechargeable batteries should not be used.
- When rechargeable batteries are used anyway :
 - Rechargeable batteries shall be charged only under the supervision of an adult.
 - Rechargeable batteries shall be removed from the toy before being charged (if they can be removed).
- If a battery is swallowed, consult a Doctor or Medical Facility. Don't forget to take the product with you.
- If battery leakage occurs and comes in contact with the skin or eyes, wash immediately with lots of water.
- Batteries are included for demonstration purposes only and may need replacing after purchase.
- Strong Electro Magnetic Interference may disturb the normal function of the product. If so, simply reset the product to resume normal operation by following the instruction manual. In case the function does not resume, please use the product in another location.
