bea-fon SL651A

SL651A - yes, it can!

Yes, it can, that Bea-fon SL651A. Behind the beautiful facade, in either red or black available, hides informed technology at the highest stage.

Thus, the clamshell phone has both, an energy-saving OLED front display and a large high-contrast color display, Bluetooth, three convenient direct call keys, the essential hearing aid compatibility and an integrated camera and torch light.
The SOS emergency key, hallmark of all Bea-fon devices, dials in an emergency and with just a push of a button up to 5 predefined numbers.
