SERVICE

Your NV Toys Vibrator is an extremely well designed and assembled device, using only the best materials on the market and should procure you many years of pure worry free pleasure.

However, if you experience any problems or factory/assembly defects or you need additional information to operate your device, please contact our service department and we will do our best to solve your issues as soon as possible.

Caution: please do not take your vibrator apart by yourself or by an unauthorized repair shop, as your warranty will automatically expire.

DISCLAIMER

Users of this device are doing so at their own risk. Neither NV Toys nor its retailers are responsible for any injury caused by the use of this product. This is to be used as a novelty item only!

This product doesn't claim to cure any disease or STI.

CLEANING AND STORAGE

Always clean your NV Toys device thoroughly before and after each use.

Clean your device with an antibacterial toy cleaner.

Hard detergents, disinfectants, acetone or 75% alcohol are not recommended to clean your device.

Avoid direct sunlight and air drying your device.

Store your device in a clean and dry space, and avoid leaving it in contact with other silicone or TPR devices, as this could affect the properties of the high grade ABS of your device.
