High Resolution CCD Cameras

# Mega Flood Surveillance Camera

The ultimate heavy duty day/night camera

The Swann Mega Flood provides you with an all weather durable waterproof option. You can position it outside to monitor your children, your valuables or any unwanted visitors. The Mega Flood is high resolution and has infra-red features, allowing you to monitor during day & night. Connect it to your TV for an easy viewing method & record pictures on your VCR or DVR.

**Distance to Subject (DTS)\***  
Distance for camera to see a full person

\*DTS: Refers to the ideal "Distance To Subject" from a camera viewing a 6ft/1.8m tall person from head to toe on a standard TV. This assumes the camera is viewing from 3ft/0.9m off the ground.
